

\$10 Carnival Cruise? MCHS Band Fundraising Raffle August 19, 2010

The band booster board is having a raffle to earn funds earmarked for buses for our marching band members to attend and play at all of the away football games this season. A total of 10 games are scheduled during the regular season, and 6 of them are away games. It costs approximately \$1,000 for three buses for the entire band to attend an away game.

We are raffling a four night cruise on Carnival Cruise Lines out of the port of Long Beach this fall or next fall (date to be scheduled by the winner) in an ocean view cabin for two people. The cruise was donated by Cruise Planners of Manhattan Beach (Wes Schellenbaum is owner, his daughter Amy graduated last year after three years in the colorguard/winterguard, and his son played sax in the marching band for four years).

Raffle tickets are \$10 each, and we have printed 600 tickets that we are offering to band parents this week. Drawing will be held on August 30 at the "end of band camp" dinner. Other prizes will be awarded as well, but the grand prize is the cruise on Carnival.

We have handed out flyers and tickets to students attending band camp this week. If any band parents whose children are not attending band camp would like raffle tickets, let me know at bill39425@gmail.com and I will deliver the tickets to you.
